

HOVC

Hope for Orphans & Vulnerable Children

Gift Catalogue
2014 - 2015

Gifts of Love, Life & Hope

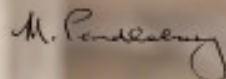

We are excited to be able to present to you the first ever **HOVC Gift Catalogue**, full of **small and big gift ideas** that you can give to help lift HOVC children and their community out of extreme poverty.

By purchasing gifts from this catalogue, you will not only be providing in a very practical sense for those in Kisoro, **you will also be showing God's love and care for them through your actions.**

Each one of these gifts has the **power to transform lives** by giving HOVC children and their families **better health, greater choices in life and more hope** for the future.

Ordering gifts is easy. Simply fill in the order form at the back of this catalogue and return it to us. In return you will receive a gift card that you can give to family and/or friends.

Thank you for your prayers and generous hearts. Let's bring gifts of Love, Life & Hope to our friends in Kisoro.

Marion Pendlebury
Director - HOVC Australia Inc.

Gifts

That Will Empower & Transform Lives

A Bible for a Sponsor Child

What better gift to give than the words of life! Many HOVC children/families have never owned their own Bible before so having their very own copy will enable them to read God's word in their homes with their families.

Such a priceless gift!

\$10

\$20

Educational Books for HOVC Library

Help us build up a valuable resource for the HOVC children and HOVC staff team to use. More books and learning resources in the HOVC bookshelf will help the children to further their education and also help staff with project days.

Gifts

One Goat, One Child

A simple but effective gift to give to a HOVC child/family. A goat will provide a family with additional income and extra nutrition in their diet. They also make a great family pet! Our hope is to be able to provide one goat to each HOVC child.

\$45

\$95

A Bicycle for a HOVC Family

For us, riding a bicycle is a great form of exercise or perhaps an easy way to commute to and from work but for a HOVC family it is so much more. A bicycle can help a family greatly to not only get around town quicker, but to transport the goods they produce to sell at the local market. Without a bike, children and families must walk long distances carrying very heavy loads.

Education Costs for one HOVC child for a Year

\$425

Secondary
School

\$250

Vocational
Training

A good education is the key to helping lift our HOVC children and their families out of extreme poverty. By furthering their education at secondary school or learning a trade through vocational training, this gift will enable children to have more choices and opportunities to earn a good income in the future.

Construction of a Latrine for a Family

Having a clean water source and good sanitation is the key to reducing the spread of sickness and diseases and improving the health and well being of HOVC children and their families. Now that each family has a water tank with clean water, we want to improve their sanitation. Buying a toilet/ latrine will go a long way to improving the health of each family.

\$350

*Actual latrine purchased may vary from the model pictured above

Nutritious **Food** for a Year for a Parent/ Caregiver with HIV

It is essential for a person living with HIV to have a good diet for their medication to be effective. Unfortunately, the food needed is expensive and unaffordable for a HOVC parent/ caregiver with HIV. This gift will ensure one of these 18 parents/ caregivers can stay healthy, continue to work and, the number of children from losing a loved one or becoming orphaned from HIV/AIDS.

\$530

\$1,650

A New **House** for a Family

A new house will ensure that a HOVC family currently living in a sub-standard situation can benefit from improved living conditions that would otherwise be unattainable for them. Each new house built for HOVC families provides shelter from the weather conditions and a cleaner place to live in. Houses are fitted with guttering and a new water tank ensuring families see an improvement in their health so they can go to work or school.

My Order Form To Give Love, Life & Hope
