

PBC's Reverse Christmas Tree

As a church we want to fully embrace meaningful Christmas practices that reflect the true significance of the season. The coming of Jesus into our world as Emmanuel 'God with us' wonderfully demonstrates the love of God towards all people.

As those shaped by the life and person of Jesus, we are called into demonstrating this same love of God towards all people.

One way to do that this Christmas is through PBC's Reverse Christmas Tree – the chance to give towards those with greater needs in our community and around our world.
