

# Fizzy Explosion Prayers

## You will need:

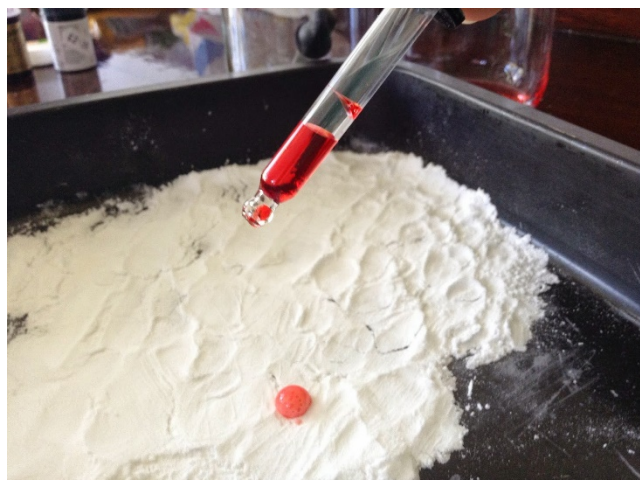

- Bicarbonate of soda (baking soda)
- white vinegar
- food colouring
- eye droppers or teaspoons

## Procedure:

1. Mix food colouring into white vinegar to colour it.
2. Keep each colour of vinegar in a separate cup and add a dropper or teaspoon to each cup.
3. Cover the bottom of a plate or dish with bicarbonate of soda.

4. Drop a drop of coloured vinegar onto the soda and watch the explosion!

### Think and talk about:

- Talk about the power of the Spirit and how it can change us.
- Compare this to the power of the explosion that happens when the vinegar hits the soda.

### Pray:

- Choose a colour of vinegar that represents yourself and as you drop some in pray God will be changing you to be more like Jesus and help you to tell others about Him. Ask the Holy Spirit to help you.
- Repeat but this time pray for someone you have written/drawn on your page that you want to tell about Jesus. Pray the Holy Spirit will be at work in their heart helping them to see their need for Jesus.
