

TOGETHER **with Jesus**

In Scripture, Jesus' disciples never walked alone and so in 2021 find at least one other to share your life as a disciple with. When you meet, ask each other the following questions and finish your time praying together.

- What do you sense God has spoken from his Word or revealed to you recently and what have you done in response?
- Who are you praying for to come to know Jesus?
What opportunities have you had to make Jesus known?
- What do you need prayer for personally right now?
