Vaccination	Vaxxed and unvaxxed people are able to attend. All pastors and volunteers are required to be fully vaxxed.
Online	Will continue

Stage Three Celebrate

Christmas

Let's celebrate the birth of Jesus this Christmas, both online and in person.

Carols 18-19 December	This will be our flagship event produced in an online format for you to share with friends and family. Be praying for who you might invite over to join in the carols celebration with you. This is a great opportunity to invite those who don't yet know Jesus. All three services will also gather live to join in the online carols celebration. Children and youth will join us for this celebration.
Christmas Eve Christmas Day	Our plan at this stage is to produce both an online service and live services. The number and timing of these services is yet to be decided. Children and youth will be joining us for our Christmas services.
Boxing Day	There will be NO services on Sunday 26 December.
COVID safety	All of the requirements for December will apply.

Coming back:

with love and in grace

It may take time for some to find their feet afresh in community, and some will be unable to return in person. We will choose to honour, love and show grace to each other as those learning to live and love like Jesus.

eager to serve, looking to bless

As we re-enter in person community, we will go out of our way to serve and to bless one another. Using our words, prayers, spiritual gifts and practical helps we will support and spur each other on.

with joy and thankfulness

Things won't be quite "back to normal" just yet and it has been a tough season for many. Yet we will choose to position our hearts in gratefulness for who God is and celebrate his kindness in our lives.

with faith and expectation

God is good! And we re-gather with the faith-filled expectation for how he will move among us. We will continue to ask, seek and knock that Jesus will transform lives among us.
