

For every \$100 that goes into the offering...

\$20 is invested into the spiritual growth of children, young people and their families

\$9 is invested into the spiritual growth of adults

\$17 is invested into our worship and teaching on Sundays

\$8 is given away to support national and overseas mission*

\$12 is used to support local mission**

\$15 covers governance, communications and administration

\$15 is invested into our ministry facilities

\$4 is invested into training ministry leaders

So when you give, know that you are investing into what God is doing both in this place, and around the globe.
